

PROCEDURE FOR EXPRESSION OF INTEREST – PMI No. 01/2025 CAAPP

**PUBLIC NOTICE No. 04/2025 – Request for Reconsideration Filed
(Item 6.2, VI, of Public Notice No. 01/2025)**

Process: Procedure for Expression of Interest – PMI No. 01/2025

Subject: Selection of a Financial Intermediary for the management, administration, and supervision of the use of funds resulting from the ERPA contract executed between CAAPP and Emergent Forest Finance Accelerator, Inc.

The Executive Board of the Environmental Assets and Participations Company of Pará – CAAPP, within the scope of PMI No. 01/2025, considering that on September 20, 2025, the United Nations Development Programme (UNDP) timely submitted a request for reconsideration based on Item 6.2 (Phase VI) of Public Notice PMI No. 01/2025, and that such request was duly acknowledged and reviewed, hereby decides to partially uphold the arguments presented by UNDP, granting it preference in the negotiation of the financial intermediation contract.

This decision takes into account the nature of the PMI as a mechanism for engagement with the market, the entity's willingness to comply with benchmarks validated by the Green Climate Fund (GCF), the scale of its technical team and the number of professionals with full-time dedication, as well as the existence of a regional office in Belém that has been in operation for a longer period.

Belém, October 7, 2025.
